

Rutabaga Outdoor Programs Junior Leader Position Description

Attention Teens!

Do you want a fun and rewarding experience this summer? Join our **Junior Leader Development Program!** The Junior Leader program (for teens entering 10th-12th grade) is a great way for teens to spend their summer as a part of our teaching staff.

As a Junior Leader you will:

- Develop your canoe, kayak and stand-up paddling skills
- Expand and improve your leadership skills
- Learn to teach and share your knowledge of paddling with others
- Positively influence the lives of youth
- Work with diverse audiences
- Learn responsibility
- Gain valuable life experience

We ask that Junior Leaders are able to commit a minimum of 30 hours of volunteer work from June-August, and **must be able to attend training the week of June 13** (scheduling this week is based on staff availability). Open availability in the summer is a plus as most of the camps are half-day programs.

If you are interested in working with kids, teaching, or the outdoors, this is the perfect place to gain some experience and training. And, it could lead to a job with Rutabaga Outdoor Programs in the future! Come be a part of an exceptional instructional team at Rutabaga!

For more information, please contact Tucker. Applications are due by May 7. Junior Leader interviews and selection will be completed by late April.
